
The Learning Journey reading & Learn, Classic children books audio reader, Old Smart Talking Pen, Multifunction

The Learning Journey reading & Learn, Classic children books audio reader, Old Smart Talking Pen, Multifunction

- **DEVELOP 5 ABILITIES** – With multi-books comment to challenge your child's 5 abilities:

Imaginatio, Language, Innovation , Exploration, Music illuminative

and help teach new learning skills, the audio pen is the perfect interactive friend to help boost development skills.

-
- **ENCOURAGE DEVELOPMENT OF LISTENING SKILLS** – Children are encouraged to listen carefully to instructions and follow them correctly to complete each challenge. This is a great way to increase their ability to listen and follow guidance, all while having fun.
-
- **BUILD CONFIDENCE** – Learning new skills is a better way to increase a kid's sense of self-esteem. Completing a challenge, either together with an adult or independently, gives a kid a sense of achievement that provides them with a healthy boost to their self-esteem.
-
- **BOOST PROBLEM-SOLVING ABILITIES** – When playing games, wrong answer will be reminded to select again. it makes use of your child's developing problem-solving skills and encourages them to think creatively.
-
- **BOOST OPERATIONAL ABILITY**--- Children can DIY by magic stickers, which will not only boost child imagination but also operational ability.
